Regulations:

The **FiA-TC'65** will comprise a series of 7 circuit races. All races will count for the Championship. Each event will have one 60-minute or two 30-minute practice sessions and one race lasting 60 minutes or two races lasting 30 minutes. The car can be driven by either one or two drivers. A change of drivers during a 60-minute race is only possible between the 20th and 40th race minute or in the case of 30-minute races only per race. The team will receive the Championship points of both races.

The start will be a Grand-Prix start. Separate **FiA-TC'65** points will be awarded for each of the Periods E and F. The **FiA-TC'65** will have a permanent technical scrutineer for the complete season.
