

### **Important notice**

As you will see from the list of historic homologation forms, in a number of cases the FIA has no copy of these forms available (the cars concerned are those with an "FM" indication in the right column, the list of which is also appended to this page).

If you happen to have a copy of one or more of these missing forms, even incomplete or in a poor condition, please send a duplicate to the FIA in Geneva.

Thanking you in advance.

---

### **Remarque Importante**

Comme vous le verrez dans la liste des fiches d'homologation historiques, dans un certain nombre de cas la FIA n'a pas la copie des ces fiches (les voitures concernées sont celles avec l'indication "FM" dans la colonne de droite, et la liste en est également annexée à cette page).

Si vous avez la copie d'une ou plusieurs de ces fiches manquantes, même incomplètes ou en mauvais état, veuillez s'il vous plaît en envoyer un duplicata à la FIA à Genève.

Vous en remerciant à l'avance.
